

The Sistema Utah program in Draper is moving to SATURDAYS!

We are consolidating to offer the best program possible. The new Saturday option is dependent on a minimum of 20 students declaring their intent by Friday, December 19th and a final enrollment number of over 30 students by January 8th.

* Immediately fill out your registration and indicate your definite interest in participating on Saturdays from 8:45am - Noon! Tuition includes an average of three Saturday workshops each month at Draper and a once a month pre-paid West Valley Seminario fee waiver.

To continue our program in Draper, the billing process must be streamlined to be cost efficient.

- We request the billing option to mail our families full 5-month tuition payment of _____ with a 10% discount. We understand that our payment must be received on or before January 10th.
- We request the billing option to submit an envelope by January 10th with 5 separate checks written for our monthly family fee of _____. We understand that one check will be deposited on the 10th of each month from January to May.

I understand how important it is to arrive and pick-up my music student on time. I understand the Draper program is making decisions based on my commitment to participate for the entire semester.
