Builder Theme for November “I am a Builder When I Express Gratitude in Word and Deed”

Saying “thank you” is a powerful positive force for good when we get in the habit of saying it to our family members, friends, neighbors, and co-workers! We can write a quick thank you note and it can make an amazing difference in someone’s life. We challenge our students and their families to make an extra effort to express gratitude during the month of November. We hope you, as parents, will find some things to thank your children for this month!

When we say thank you to others for something normal, or even the small things they do for us, we are modeling for our children, healthy personal interactions. Some examples could be “thank you for coming to breakfast on time” – or “thank you for putting your backpack in your room” – or “thank you for bringing me your learning plan”!

We all like to be thanked – it is contagious! We hope you hear many thanks in your homes this month.

Veteran's Day Assembly Wednesday, November 8th, 2017

Veterans Day is quickly approaching and we have planned two events to honor those who have served. The events are a teaching opportunity for our students to learn through their own participation how to respect and honor our nation's veterans. In your communication folders, you will find a beautiful invitation to our Veterans Day events to be held on Wednesday, November 8th. Please take the time to invite your veteran neighbors, coworkers, friends, and family members. If you need additional invitations we will attach the file to the newsletter email for you to print at your convenience. Veterans are invited to bring two guests and will receive name tags confirming their admission.

RSVPs to our campus secretaries are due TODAY, Friday, November 3rd. Please RSVP with the number of guests and whether or not wheelchair access or other assistance is needed. We will

have very limited parking and seating prior to the receptions and assemblies. If you are bringing Veterans, please arrive on time to your event, but not too early.

Our Draper 2 and Draper 3 campuses will be holding two assemblies, one at 9:00 am and the other one at 12:00 pm on Wednesday, November 8th. Veterans and their guests are invited to attend a reception with refreshments beginning at 8:30 or 11:30 am. *This reception is not for parents of APA students unless you are a guest of a Veteran.*
