## American Prep Academy Draper 2

### Winter 2018 Visual Arts Building into Art

Journey with us as we explore art in architecture around the globe! We will discover the famous American Architect, Frank Lloyd Wright as we create a prairie style home sculpture. Get creative as we will learn about Vienna artist, Hundertwasser. We will take a look around a Pueblo Village and journey back to Medieval Castles in Europe! Join us to build your skills in art and creativity through architecture!  
And, as always, Dress for Mess!
