

The Center For Women  
& Children In Crisis

## Pornography is Changing

As parents, it is more important than ever to know what our children are being exposed to, how they are being effected, and how to protect them best.

Join us for an enlightening and hope giving event...

Thursday  
Sept  
5th

At 6:30 & 8PM  
Doors open @ 6:30

No Charge

Graciously hosted by:

**American Preparatory Academy**

431 West 11915 S, Draper, UT

Brigham Elton, a certified Sex and Pornography Addiction Counselor, teaches parenting classes that give parents the tools they need to help open lines of communication with their children for the prevention and treatment of sexual abuse and pornography use. He has helped countless individuals, including adolescents, overcome their desire for pornography use through his innovative and powerful method of teaching.
