October Builders Theme - I am a Builder when I am Perfectly Honest

Why should we be perfectly honest? Because honesty lets people trust us. Having others' trust is vital to our success both in school and in life. If our friends trust us perfectly, they can count on us to speak and act truthfully and be there for them in every way. When our parents trust us perfectly, they can allow us to make more choices and have more freedom.

Honesty is a life-long quest and something we have to work on all of the time, not just when we are young. If we make a mistake by telling a lie or leaving out important information or fail to be perfectly honest in any way, we can always try again tomorrow. Being perfectly honest is a great goal for our whole life.

Academic Update - Parent Teacher Conferences

The Parent Student Handbook states:

Parent-Teacher conferences will be held at the end of first and beginning of the 5th terms, in which academic goals are set for each student with input from parents and, at times, students. Parent-Teacher conferences are listed in the school calendar and all parents are expected to attend these conferences. A third Parent-Teacher conference is held mid-year which is an optional conference that parents or teachers may request.

Parent-Teacher Conferences will be held Wednesday, October 30 and Thursday, October 31. These will be a 12:15/12:30/12:45 pm dismissal day for all students. There are no after school activities on these days. This is a mandatory PTC and all parents are required to schedule a 15 minute block to meet with their student's homeroom teacher. Please watch your email for a sign-up genius link that will be sent.

It is important to have the opportunity to meet with the teachers to discuss your student's progress. If needed, teachers will bring up concerns and make goals to help your student be successful throughout the year. Thank you for your participation.

Field Trips & Donations

All of our 1st - 6th grade students have taken a fun field trip! The cost of buses for field trips is about \$11.00 per student per trip. We would appreciate your kind donation to support these experiences (\$11 for Kindergarten, \$22 for grades 1-6).

Please go to <https://www.americanprepfoundation.org/drapper-2> to donate. All donations are tax deductible.

Pictures, Pictures, Pictures

We are starting to gather pictures for our 2019-2020 Draper 2 yearbook. Some of our best yearbook pictures last year were submitted by our parents taken at various school events, field trips and programs!

We would appreciate any pictures that you might take that would be suitable for the yearbook. Please submit them to mminson@apamail.org and, as always, thank you so much for your help.

Veterans Day - Celebration Details - November 13th

We are very excited for our Veterans Day celebration which will take place on Wednesday, November 13th! We will have two assemblies to honor our Veterans, one at 9:00 a.m. and one at 12:00 p.m. This assembly is an opportunity for students and families to invite a Veteran friend or family member to come and be honored by our student body. We usually have about 80 Veteran guests! It is a wonderful event. Due to

space constraints in our gymnasium, only parents who are accompanying Veteran guests or parents who are volunteering at the event are able to attend in person. We hope to livestream the assembly so parents can watch it online!

Be thinking about a Veteran you could invite to this wonderful assembly! We will be sending home an invitation you can give to a Veteran in your youngest or only student's docket, next week. From our Family School Organization (FSO) - Nicole Harman

The FSO has a few volunteer opportunities available right now and we would really appreciate your help. Next week will be our first Parent Teacher Conferences for this school year. Our staff works so hard during these conferences and we like to say thank you by providing them a dinner and lunch. The dinner signup is mostly full but we are still in need of quite a bit of help with the lunch. Please follow the following links to sign up.

Another way that you can help ASAP is by sending in any Boxtops you have collected. These can be turned in to your teachers or the front office. Our first deadline is next Friday and we would like to send in at least 1000 Boxtops. All proceeds from this Boxtop drive will be used during staff appreciation week to help make it even more special for our staff.

Lastly before we went on break, you should have received some papers regarding Boxtops and the new app that they have developed. This app is a quick and easy way for you as parents to support our school. Please check out the following flyers for more information. Our Boxtop goal for this year is \$3500. This is about \$5 per family and we believe this goal can be achieved! Once we reach this goal, your children will earn a free shoe day.
