CURRENTLY SERVING

American Preparatory Academy believes it is important to honor our veterans and teach our students about the sacrifices required to maintain our nation's freedoms. In doing so, we pay tribute to our veterans through speech and song at Veterans Day assemblies each year. Veterans young and old attend these events, allowing our students to personally thank them for their service and pay respect for the sacrifice made. Each veteran will be individually recognized: honored with a commemorative pin and a handwritten thank-you letter from an American Preparatory Academy student.

If you are a veteran, we invite you to be our distinguished guest at an assembly of your choice. If you have a veteran in your family, we would be honored if you would invite them.
