Thursday, Sept. 24	Picture Day for all students	8:00 am - 2:00 pm
Monday, Sept. 28	Reading University Deadline	

College Fair Presentations - September 14 & 18

It is COLLEGE WEEK at our campus this week! We have had a wonderful College Fair on Monday and again coming up this Friday with phenomenal parent volunteers! We also are watching college videos during chew time this week. And this Friday the 18th EVERYONE may wear college spirit wear shirts with their regular lower Friday uniform. Show your college spirit that day if you'd like!

Why do we do college week in elementary school? To inspire our kids to start thinking now and working to develop good habits so that college is one of the doors of opportunity in their futures! Ask your kids about what they've learned this week!

APEF - Friends of APA - Parent Committee Meeting - September 15

The American Preparatory Education Foundation Parent Volunteer Committee serves as a parent advisory board for the Foundation. Its members will assist the APEF Executive Director with event planning for fundraisers, networking, and community relations. With COVID-19 restrictions in place creativity is vital when planning fundraisers and communicating with our APA families and community. This committee will brainstorm and share ideas. The first meeting is scheduled for Tuesday, September 15 at 2pm. Check in at the reception desk. For more information please go to :

<https://www.americanprepfoundation.org/apef-parent-committee>

Constitution Day - September 17

We are honored to celebrate the signing of our founding document, the Constitution, on Thursday, September 17th. Each school will be reading the constitution, and we encourage you to read it with your families. As we more fully understand what the Constitution is all about, we can participate in discussions, and advance the noble cause with which this document was written.

Join us at live.KSL.com for the Draper 2 campus reading at 10:00 am. This program will last about an hour.

College Fair Dress Day - September 18

Your student can show support for their favorite college by wearing a t-shirt, sweatshirt/hoodie, or hat. Friday uniform should be worn from the waist down.

September Builders Theme - I am a Builder when I build with Enthusiasm

Walter Chrysler, an American automotive industry executive and the founder of the Chrysler Corporation. One of his mottos was “The real secret to success is enthusiasm.” It’s important for our students to know the attitudes they display towards working hard are a choice. When students develop and display an “I can do hard things” attitude, they are successful and gain further confidence in their abilities.

Parents play a very important role towards their children’s education when they express a belief in their child(ren)’s ability to work hard and succeed, as well as setting an example themselves.

Together—students, parents, and staff—we make a FABULOUS team!

From the Academic Office

When your student is sick

As we enter the cold and flu season, we appreciate all our parents who keep their students home due to an illness. If an on-campus student is absent for any reason, that student is still enrolled in the on-campus program and is expected to work with his or her homeroom teacher and groups teachers to complete any missing work. Absent on-campus students **will not** be switched to an off-campus Google classroom for temporary learning. We do, however, offer online reading and math lessons to our absent on-campus students. These lessons can be found under the “Off-Campus Program” tab at americanprep.org. We appreciate our parents who offer extra support at home to help their students get caught up. Please contact your homeroom teacher with any questions regarding missing work.

From the Administrative Office

School Lunch - Free Meals for All Students

Free meals are available to all students for a limited time. Go here for more details:

<https://www.americanprep.org/school-lunch-program/>

Activities - Online Clubs

<https://draper2.americanprep.org/activities/>

Math Kangaroo

If your student participated in the Math Kangaroo competition, please come get their prizes! T-shirts, pencils, and keychains are a fun reminder of their experience.
