Veterans Walk of Honor

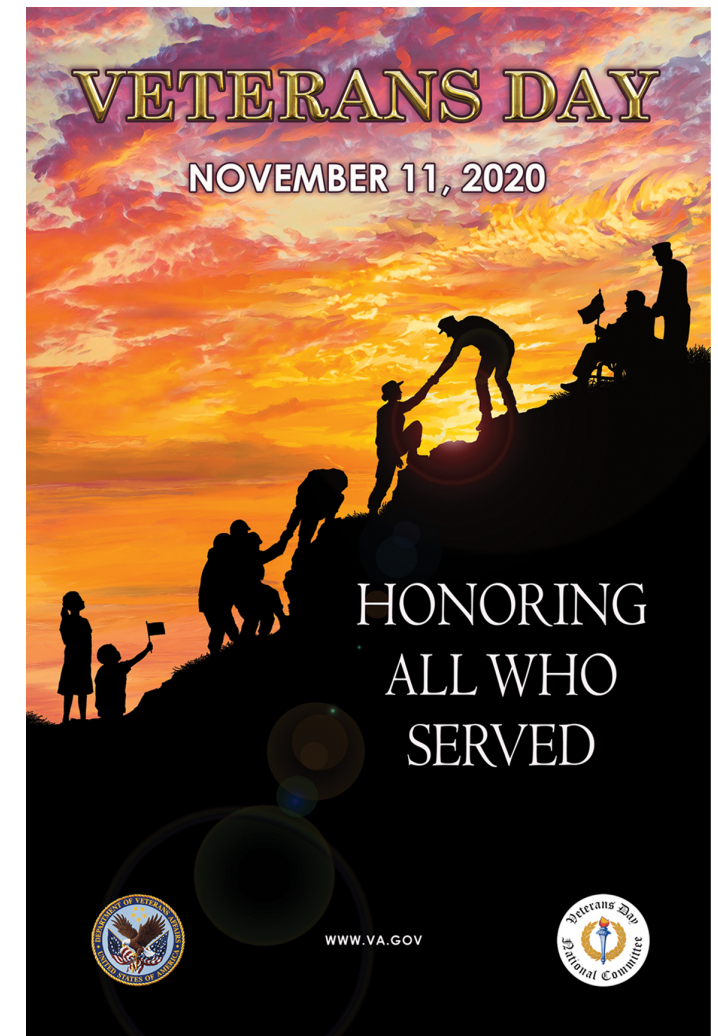

Why We Celebrate Veterans Day

American Prep was founded on the belief that America's schools bear the responsibility to teach our children about the liberties they enjoy and the sacrifices made to ensure those liberties. We know that our freedom is not free, but has been earned by the men and women who have served our country, and committed their lives to preserving our freedom. Our American Prep community is truly thankful for our service men and women and their sacrifice.

2020 marks our 12th Annual Veteran's Day Celebration. Each year, thousands of students, parents, and staff join together to honor our veterans. We thank everyone for making these events a success and we are humbled to honor those who serve and protect our country.

Thank You, Soldiers

By Michael & Angela Souders

1. When I lay my head down ev'ry night
and go to sleep in peace,
I can stay there knowing all is well,
while you're standing on your feet.

CHORUS

Thank you, oh thank you,
men and women brave and strong,
To those who served so gallantly
we sing this grateful song.
To the soldiers who have traveled
on to countries far and near,
in peace and war you paid the price
for the cause you hold so dear.
That we may wake each morning bright,
and know that freedom rings,
because of your great sacrifice,
your country joins to sing:

2. Keeping watch, protecting shore to shore,
in the air and oceans, too,
defending freedom at all cost,
for the red, white and the blue.

CHORUS

MY AMERICAN DUTY

AS AN AMERICAN, IT IS MY DUTY TO:

1. Remember and uphold the **IDEALS** of our country: Liberty, Equality, Democracy, Respect for the Rule of Law and Patriotism (Gratitude and Respect).
2. Remember that we have the freedom to support our national ideals due to **HEROES** who lived and died for them, and **HEROES** today who still defend them with their lives.
3. Treat **ALL** others with dignity and respect.
4. Be willing to **LISTEN COURTEOUSLY AND WITH AN OPEN MIND** to others who hold different positions than mine. Increased understanding strengthens our democratic republic.
5. Be willing and prepared to engage in civil discussions with people I disagree with, using **PERSUASION** to help others see my point of view.
6. Learn and regularly practice the principle of "**AGREE TO DISAGREE**", and part as friends.
