Tips & Information for a Successful First Day of School

- Families with kindergarten students may park and walk their kindergarten students inside the building. If you choose to do this, we ask for you to wait until 8:15am to allow some of the parking lot to empty out. **PLEASE PARK IN ONE OF THE VISITOR SPOTS- the numbered parking stalls are for our staff.**
- As we have limited parking spaces, we ask that all other students be dropped off at the curb.
- When dropping off your student in the morning, always pull forward as far as possible before unloading. **Stay in your car and have your students get out on the curb side of the car.** The line moves quickly when everyone follows these rules.
- On the 1st day of school all students will go directly to the homeroom class to be greeted by staff.
- In the afternoon, we encourage all parents to drive through the pick-up line to collect their students – including kindergarten parents. The first few days are wonderful for establishing the routine of how pick-up will happen.

We are SO excited for the first day of school!

Dockets & Name Badges

Dockets were sent home with your student(s) at the end of last year. Please send your student with their docket on Wednesday, August 21st. All new students will be provided a nametag and docket. If you need to order a new docket (\$10) or a new nametag (\$5.00) for your student, you may do so here:

Summer “Stay Sharp” Packets

“Summer Stay-Sharp” packets may be returned to your student’s homeroom teacher on the first day of school (August 21st).

Volunteer Opportunities

We love our parent volunteers and so appreciate working together to create an amazing experience for students, staff and families. Please take a moment to sign up and volunteer for all that this year has in store.

Professional Qualifications

Our parent surveys consistently express confidence and overwhelming satisfaction with our teachers at American Prep. In accordance with state regulation, all APA teachers are licensed through one of three licensing paths: Professional, Associates and LEA specific. Parents are welcome at any time to request information regarding the professional qualifications of the student's classroom teachers including: 1) whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction or whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; 2) the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and 3) whether the child is provided services by paraprofessionals and, if so, their qualifications.

Cualificaciones profesionales

Nuestras encuestas para padres expresan constantemente confianza y una satisfacción abrumadora con nuestros maestros en American Prep. De acuerdo con la regulación estatal, todos los maestros de APA tienen licencia a través de una de las tres rutas de licencia: Profesional, Asociados y LEA específica. Los padres son bienvenidos en cualquier momento para solicitar información sobre las calificaciones profesionales de los maestros del salón de clases del estudiante, lo que incluye: 1) si el maestro ha cumplido con los criterios estatales de calificación y licencia para los niveles de grado y las materias en las que el maestro brinda instrucción o si el maestro está enseñar bajo estado de emergencia u otro estado provisional a través del cual se ha renunciado a los criterios de calificación o licencia del Estado; 2) el título de licenciatura del maestro y cualquier otra certificación de posgrado o título que posea el maestro, y el campo de disciplina de la certificación o título; y 3) si el niño recibe servicios de paraprofesionales y, de ser así, sus calificaciones.

District Parent and Family Engagement Policy

American Prep recognizes that parent and family engagement is key to student achievement. We provide many opportunities for parents and family members to participate in, and stay informed of, their student's academic achievement.

American Preparatory Academy trains staff annually during pre-service and teacher academy on how to communicate, build meaningful connections, and otherwise involve parents/families and the school. These topics are reinforced during professional development opportunities throughout the year as needed.

Additional details regarding Parent and Family Engagement are available in the annual Parent-Student Handbooks (PSHB) which are distributed annually, posted on the school websites, and available in Spanish at our West Valley campuses.

For the full District Parent and Family Engagement Policy, please refer to this [link](#) on the Policy page of the americanprep.org website.

Política de participación de padres y familias del distrito

American Prep reconoce que la participación de los padres y la familia es clave para el rendimiento de los estudiantes. Brindamos muchas oportunidades para que los padres y miembros de la familia participen y se mantengan informados sobre el rendimiento académico de sus estudiantes.

American Preparatory Academy capacita al personal anualmente durante la academia previa al servicio y de maestros sobre cómo comunicarse, establecer conexiones significativas y de otra manera involucrar a los padres/familias y la escuela. Estos temas se refuerzan durante las oportunidades de desarrollo profesional a lo largo del año, según sea necesario.

Los detalles adicionales sobre la participación de los padres y la familia están disponibles en los manuales anuales para padres y estudiantes (PSHB) que se distribuyen anualmente, se publican en los sitios web de las escuelas y están disponibles en español en nuestros campus de West Valley.

Mandated Assessments and Opt-Outs

American Preparatory recognizes that Standardized Testing is an essential tool for measuring student learning and teacher success. The data obtained from these assessments may be utilized by teachers and administrators to review student academic progress, plan instruction, and share with students and parents. Summative assessments allow for data to be used in public reporting about school quality. Parent's may opt-out of most state standardized tests by submitting a Parental Exclusion form to the Academic Director. You can learn more about the state assessments administered at American Prep and find the testing schedules for your student's campus by following this link: <https://www.americanprep.org/state-assessments/>.

Evaluaciones Obligatorias y Opt-Outs

American Preparatory reconoce que las pruebas estandarizadas son una herramienta esencial para medir el aprendizaje de los estudiantes y el éxito de los maestros. Los datos obtenidos de estas evaluaciones pueden ser utilizados por maestros y administradores para revisar el progreso académico de los estudiantes, planificar la instrucción y compartir con los estudiantes y los padres. Las evaluaciones sumativas permiten que los datos se utilicen en informes públicos sobre la calidad de la escuela. Los padres pueden optar por no participar en la mayoría de las pruebas estandarizadas presentando un formulario de exclusión de los padres al director académico. Puede obtener más información sobre las evaluaciones estatales administradas en American Prep y encontrar los horarios de las pruebas para el campus de su estudiante siguiendo este enlace web: <https://www.americanprep.org/state-assessments/>.
