VIRTUAL PARENT EMPOWERMENT

Did you know there were approximately 580 victims of human trafficking in Utah in 2022? Since 2007, Utah has seen over 700 reported cases. This issue isn't limited to distant places—it's happening right here in our communities. Sex trafficking, labor trafficking, victims of all ages and genders—it affects everyone.

Do you know how to recognize the signs?

Join us for our Virtual Parent Empowerment Night on Tuesday, January 14th, at 7 PM.

Learn what human trafficking is, how to identify it, protect yourself and your loved ones, and how to report suspicious activity. Don't miss this vital opportunity to educate and empower yourself.
