Builder Theme for February - "I am a Builder When I Befriend Others"

What makes a good friend? "Along with good friends who are present, loyal, and honest, most people want friends who are trustworthy. If you can't count on a person, it's hard to consider them a good friend. Mutual trust between friends is a building block of a solid friendship that could last a lifetime." So, it stands to reason that if you want to befriend someone, you need to be loyal, honest, trustworthy. You need to be the kind of person someone can count on and build mutual trust between you and your new friend.

Now, let's go out and find a new friend!!

Carpool Corner

It is that time of the year when the morning sun rises earlier and earlier. It is now rising in the middle of morning carpool. So, help us keep our students safe: get out your sunglasses, put down your visor, and drive slowly through our pedestrian drop-off and pick-up zones. Thank you for your extra patience and diligence during carpool. It keeps everything safer and helps keep the flow going.

Carpool tip of the week: Have your students ready to get out of the car on their own during morning drop-off. When drivers get out of the car, it backs up the drop-off zone. Thank you for being considerate.

Lost and Found Items

Our Lost and Found is growing!! Please come and take a look at the items located on the hanging racks and bins located both upstairs by the office and downstairs across from the main office. If you don't see what you're looking for, check with the Front Office (downstairs). We will donate the left-over items to charity. We want you to pick up any items that could be yours before we continue on with our process.

Thank you!!

2018-2019 School Calendar-Draft

Attached to the electronic newsletter you will find the draft calendar for the 2018-2019 school year. Now you can arrange your vacations and time off accordingly.

Napkin Challenge!!

Thank you for the napkins! We now have plenty! Hopefully we have created a memorable experience for our students where the discussion about civility and manners will stand out in their minds. Through our Character Development Program we teach "Be a P.R.O." which means professional, respectful and observant as part of our lunch buddy program. Please look for the "Be a P.R.O." flier next week for follow up information to cover at home. THANK YOU AGAIN!

Field Trip Donations

This year we would like for our students to ride busses for their field trips. Our elementary students, grades 1st through 6th, take 2 field trips per year. They are coming up very quickly!!

In order to be able to provide busses, we will need your kind donation of \$11.00 per field trip or, \$22.00 per year. This service will provide a safety factor that we have not been able to provide in the past.

Friends of APA (American Preparatory Education Foundation), is graciously heading up this campaign.

Go to the link below to make your online donation -

<https://www.americanprepfoundation.org/programs>

If you would prefer to send in a check, make it out to APEF.

Also, if you are able to donate a little bit more, for our families who may not be able to afford this extra cost in their budget, please feel free to do so.

Chores For Rory Campaign

We are excited to announce a special campaign as part of our Week of Caring and Sharing coming in February. "Chores for Rory" is a fundraising event for the elementary students to honor their classmate Rory Moore, who passed away last fall. Our goal is for every elementary student to earn one dollar to contribute to our "Chores for Rory" fund. With the money the students raise, we are going to purchase a special playground bench in her honor. This is a great way for our elementary students to get involved and we are asking parents to help your children find simple chores they can do to earn a quarter per job. We are going to start collecting the money on Monday, February 5 and will accept donations through Friday, February 16. We encourage you to provide chores so that your children can participate. There will be collection jars in the main office and in the office at the top of the stairs. Students may put money into the jars before and after school and during recess.

Celebration/Re-enrollment Meetings

It's that time of year to make a choice about your children's school. At American Prep we first fill our seats for the upcoming year with our current students. If your students are planning on attending American Prep for the 2018-2019 school year you must attend one of these meetings. We have

scheduled 12 meetings and are publishing these early so each family has plenty of opportunity to arrange schedules to attend. Thank you for jumping in and attending early. ☺

Please sign up at the link below, to attend one of our meetings. We want to make sure that we have the space and your enrollment information ready for you.

Are you concerned about APA families who are experiencing hardships? Have you dreamed of establishing a scholarship? Do you have innovative ideas about how to fundraise? Is your business looking for a sponsorship opportunity? Do you enjoy working with creative, capable individuals? Are you curious about who we are and what we do?

Be a hero for our students by giving just a few hours a month! Are you passionate about marketing, organizing, writing, photography, web design, event planning, social media, program development, donor recognition, or community outreach? ***Sign up, ask questions, or provide feedback by contacting Whitney Haselden whaselden@apamail.org***

Love and Logic

“Contentment as a Character Value”

“What makes a truly happy person? Ah, the age-old question! Is it lots of stuff and lots of entertaining activities? Or... could it possibly be something that resides inside the person?

A truly happy person learned early in their lives how to be content whatever the circumstances.”
