

# Loveland Living Planet Aquarium

## APA Student and Family Opportunities

### SUMMER CAMPS

**Aquarium Summer Camp spots are still available for campers ages 12-17.** The Aquarium offers experiences your teenager will never forget. All Aquarium camps are full of **animal-encounters**, activities designed to strengthen scholastic and leadership skills, and tons of **science learning** so fun kids will come home asking for more. Teen camps run **Monday-Friday from 9:00 a.m. to 4:00 p.m.** and include lunch each day, T-shirt, backpack, and more. Give your teen summer memories that will last a lifetime. **Enroll your camper today** at <https://thelivingplanet.com/summercamps>.

### Spring Scout Night

**\$5 Scout Night is April 4th from 6:30 to 9:00 p.m.** All Girl, Boy, and Cub scouts and their leaders **in uniform** get in for **just \$5!** This event is especially for our scouting friends, so additional siblings or guests are regular admission price. Groups can pre-register at <https://thelivingplanet.com/scoutnights/>.

### VOLUNTEER AT THE AQUARIUM

Adults and teens ages 14+ are welcome to apply to **volunteer at Loveland Living Planet Aquarium.** Our volunteers teach guests and students, **assist with camps** and scouting programs, help with animal care, **dive in our exhibits**, and more! The next round of volunteer interviews is in April. **Visit our website to learn more or to fill out an application** here: <https://thelivingplanet.com/volunteer/>.
