

I am a builder when I quickly acknowledge mistakes and humbly make amends

No human being is perfect. We ALL make mistakes - and that's totally okay! Showing each other that it's okay to admit that we made a mistake, taking the opportunity to admit we were wrong, then we always have options to make amends and try to do better the next time. We need to be willing to humble ourselves and follow these steps when we make a mistake.

School Pictures and Yearbook Orders

We are working with our photographer to schedule photo retakes (including all off-campus students) and class pictures after Spring Break. We will also open up yearbook orders at that time.

COVID Update

Great news! We are responding to updates from the state regarding COVID-19 restrictions. Our students no longer have to wear a mask during recess. We also no longer have to limit the number of people in a room as long as everyone is wearing a mask. This will allow us to resume live assemblies! We are so excited because this means we can move forward with our traditional Builder of the Year and Memorial Day assemblies!
