### **School Closures and Delays Policy**

American Prep schools will remain open, when possible, even if weather conditions are severe, as we know that for some of our families it is very important that school is open on scheduled school days. American Prep is concerned about the safety of all students, staff, and patrons. We encourage everyone to use caution traveling safely to and from our schools and buildings.

American Prep recognizes that the decision to keep children home when weather conditions are severe is always at the parents' discretion.

Students who are kept home by a parent or guardian will not be penalized for their absence or tardiness. Make-up schoolwork may be necessary, but schools will accommodate students on the timely completion of required assignments or tests.

On occasion, the weather may be so extreme that American Prep will close schools or implement a late start or early dismissal. In the past, we followed the district where our schools reside for these decisions. Beginning with the 20-21 school year, this will no longer be the case.

American Prep will make decisions for each campus on a case-by-case basis. The following information outlines the communication procedures that will be followed if such school closures or delays become necessary.

**School Website and Social Media:** The school will post on its website at [www.americanprep.org](http://www.americanprep.org) the status of each campus as early as possible in the morning, but by 6:30 a.m. This is the FIRST place that parents should go to find the closure information. No announcement means normal operation. Closures or late starts are for one day only.

Text Messages from the School Families who can receive text messages from the school will receive a text with any weather-related changes to the school schedule.

Media Announcements There may be announcements on radio or television related to school closure information. These usually take place between 6-8 a.m.

#### Types of School Closure

1. "Schools Will Be Closed"
2. "Schools Will Start Late" (this means school will begin 2 hours after its normal start time)
3. "Schools Will Dismiss Early" and parents will be notified via text message when the dismissal is in effect

Bus Stops On severe weather days, understand that buses may be running late due to road conditions and/or traffic delays. Please watch for email, phone, or text messages regarding delayed bus routes. Parents are asked to wait with and/or meet their students at bus stops when buses are running on delayed or emergency schedules.

#### **Parent Shurley Grammar Training**

Here at APA, our 1st-6th grade students learn Shurley Grammar. What exactly is Shurley Grammar? "Shurley Grammar is a unique tool, specifically designed to help students master the parts of speech and sentence structure. Students learn definitions for the parts of speech through jingles that incorporate rhythm, rhyme, movement, and fun. Then, they are introduced to our well-defined system of classifying sentences known as the Question and Answer Flow." To help our parents better understand this part of our curriculum, we will be offering a 45-minute workshop to teach parents how to do the "Shurley Question and Answer Flow" and to help you understand what your student is learning during their homeroom grammar time. While this is the same workshop, we will be offering it several times at the school. The dates and times are as follows:

Monday, January 3, 2:30 pm

Tuesday, January 4, 2:30 pm

Friday, January 7, 2:30 pm

Monday, January 10, 2:30 & 7:00 PM

Tuesday, January 11, 2:30 pm

Friday, January 14, 2:30 pm

Monday, January 17, 7:00 PM

This workshop will be taught by our academic coach, Jacquie Chappell. Come join us in the fun!
