Hello American Prep Families,

Our Builder Theme for the month of March is “I Am A Builder When I Quickly Acknowledge Mistakes and Humbly Make Amends”

When you're responsible for hurting someone, it's not always easy to make amends. Putting yourself out on a limb to apologize is daunting, but it'll be worth it when your relationship is restored. You're already taking a step in the right direction by choosing to address the situation instead of ignoring it. Now you just have to find the right way to apologize and make things right again.

It is the highest form of self-respect to admit our errors and mistakes and make amends for them. To make a mistake is only an error in judgment, but to adhere to it when it is discovered shows infirmity of character.

Dale Turner

We have seen incredible examples of students, staff and members of our school community take this builder

theme to heart and practice quickly acknowledging mistakes and humbly making amends. It has been a great opportunity for us to focus on this builder theme throughout the month of March. We live in a wonderful community where we have a chance to grow and learn together. We appreciate all of you and your willingness to work together with us on a new builder theme each month.

Speech Festival Volunteers Needed

Parents! We need a few volunteers to help judge our yearly Speech Festival. It's fun and easy to do. You'll need to arrive at the school at 12:30pm to receive a little training. The competition starts at 1pm and goes until school is out. Please note there are 2 different days: K-3 Speech Festival is **Thursday, March 23** & the 4-6 grade Speech Festival is **Friday March 31**.

Nominate A Draper 2 Teacher!

The Utah Jazz offers a fun opportunity to nominate an outstanding teacher each month. Each honored educator will be guests of Instructure at the game and will receive a personalized Jazz jersey. In addition, each recipient will receive a \$1,000 classroom grant and a surprise classroom visit or organized school assembly featuring the Jazz Bear and personnel from the Utah Jazz and Instructure. This is a very easy opportunity to nominate someone great who is doing something fun or exceptional at our school OR in their community.

Do you have a teacher that...

- does something unique with their class?
- volunteers in their community?
- helped improve a program significantly?
- helped a student with their college applications?

Feel free to submit the application through this link. [Most Valuable Educator | NBA.com](#)

SIXTH Grade Western Round Up

Our sixth graders will be celebrating in their final Character Development event of the year on FRIDAY March 24th. We will be learning about restaurant manners, how to be a good friend, internet safety tips, and so much more. STUDENTS may bring "western accessories" if desired (such as a cowboy hat, bandana, cowboy boots, etc.). These items must be put OVER the uniform quickly before the event begins. Students will be served VEGETARIAN baked beans, carrots, and ALL BEEF little smokies. We have a vegetarian/gluten free MOZZARELLA CHEESE STICK in place of the little smokies for those students who need that option.

PARENTS, we truly cannot do this event without VOLUNTEERS. Please join in the fun and sign up here:
