Hello American Prep Families,

January's Builder Theme is "I Am A Builder When I Think Positive Thoughts About Myself and Others"
 The **law of attraction** is the name given to the saying "like attracts like" which in New Thought philosophy is used to sum up the idea that by focusing on positive or negative thoughts a person brings positive or negative experiences into their life. This belief is based upon the idea that people and their thoughts are both made from "pure energy", and the belief that like energy attracts like energy.

Carpool Reminders

**Morning drop off - Please pull all the way forward on either the B curb or the D curb. It does not matter which curb you pick up on in the afternoon. If you pull all the way forward, the stack ups in front of Draper 3 and behind Draper 2 will not be as long. A win win for everyone!!

**In the morning, as you are getting into the right lane, please be courteous. Remember that if you cut right in front of someone, they have to consider the person that is behind them. Let's avoid accidents at all costs.

**PLEASE do not make U-turns in the middle of the block., both morning and afternoon. This is highly dangerous and could potentially cause an accident thus making you later getting to your intended location. 😊

**Most of all, please be kind and courteous to your fellow carpoolers. Teach your children how a driver who is a Builder should be.

Fifth Grade Save the Date!

Believe it or not, our final ambassador activity of the year is fast approaching on TUESDAY, February 6th. This is our "beach bash" where we learn about internet safety, being a good friend and helping each other not "drown", great tips for restaurant dining, how to make good conversation, and how to keep a positive attitude!

We'd LOVE to have a few parent volunteers join us that day, so if you can help us out, please sign up here:

Galaxy Quest Report

On Friday, January 5th and Friday, January 12th, our fifth and sixth graders participated in "Galaxy Quest", one of our fun ambassador activities. We had an "out of this world" experience as we learned about the choices we make and how that can lead to us being healthier and happier. We can choose to be smart, strong, friendly, healthy, and mindful! A HUGE thank you to the parent volunteers who came and helped us on those days. Truly, we couldn't have done it without you!
